**OUR FLEET – OUR STRONG SUIT PAYLOAD IN T**

2-axle lowbed trailers	25
4-axle lowbed trailers	35
4-axle lowbed trailers	40
6-axle lowbed trailers	55
4-axle step-frame trailers	24
4-axle semi-low loaders	28-42
5-axle semi-low loaders up to 28m	40-55
6-axle semi-low loaders	64
6-axle semi-low loaders, low, 28m	45
2-axle low loaders	20
3-axle low loaders	28
4-axle low loaders	35
6-axle low loaders	50-65
7-axle low loaders	70
8-axle low loaders	70-80
9-axle low loaders	80
10-axle low loaders	90
3-axle telescopic long load trailers up to 36m	35
3-axle telescopic long load trailers up to 24m	42
Motorised vehicle, loading crane, teles. trailer	20
Swap-body vehicles	23
Hydraulic lift for ground-level crane up to	880 lift

**PLATFORM TRAILERS CAN BE CONVERTED... PAYLOAD IN T**

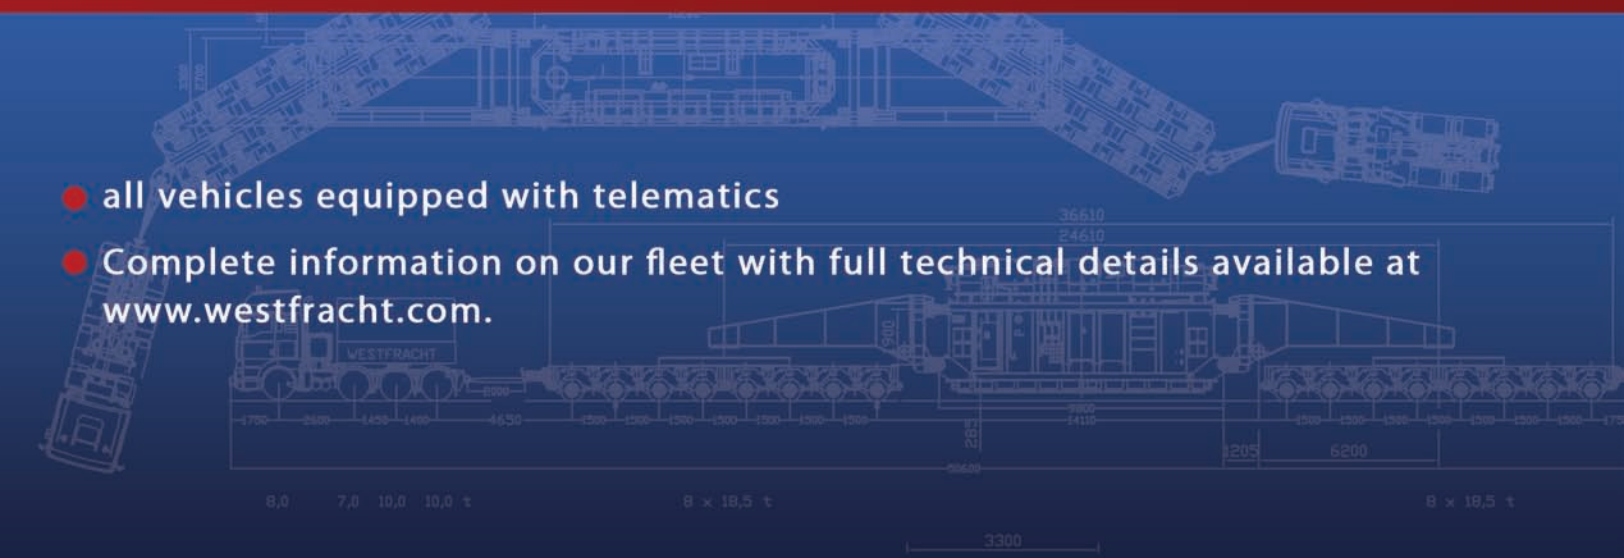

Hydraulic axles	up to 600
2 tag-along trailers	46
2 semi-low loaders, tag-along	70
Combined tag-along	300
Support arm for transformers	250

**FLEET**

We will load almost anything...

- all vehicles equipped with telematics
- Complete information on our fleet with full technical details available at [www.westfracht.com](http://www.westfracht.com).

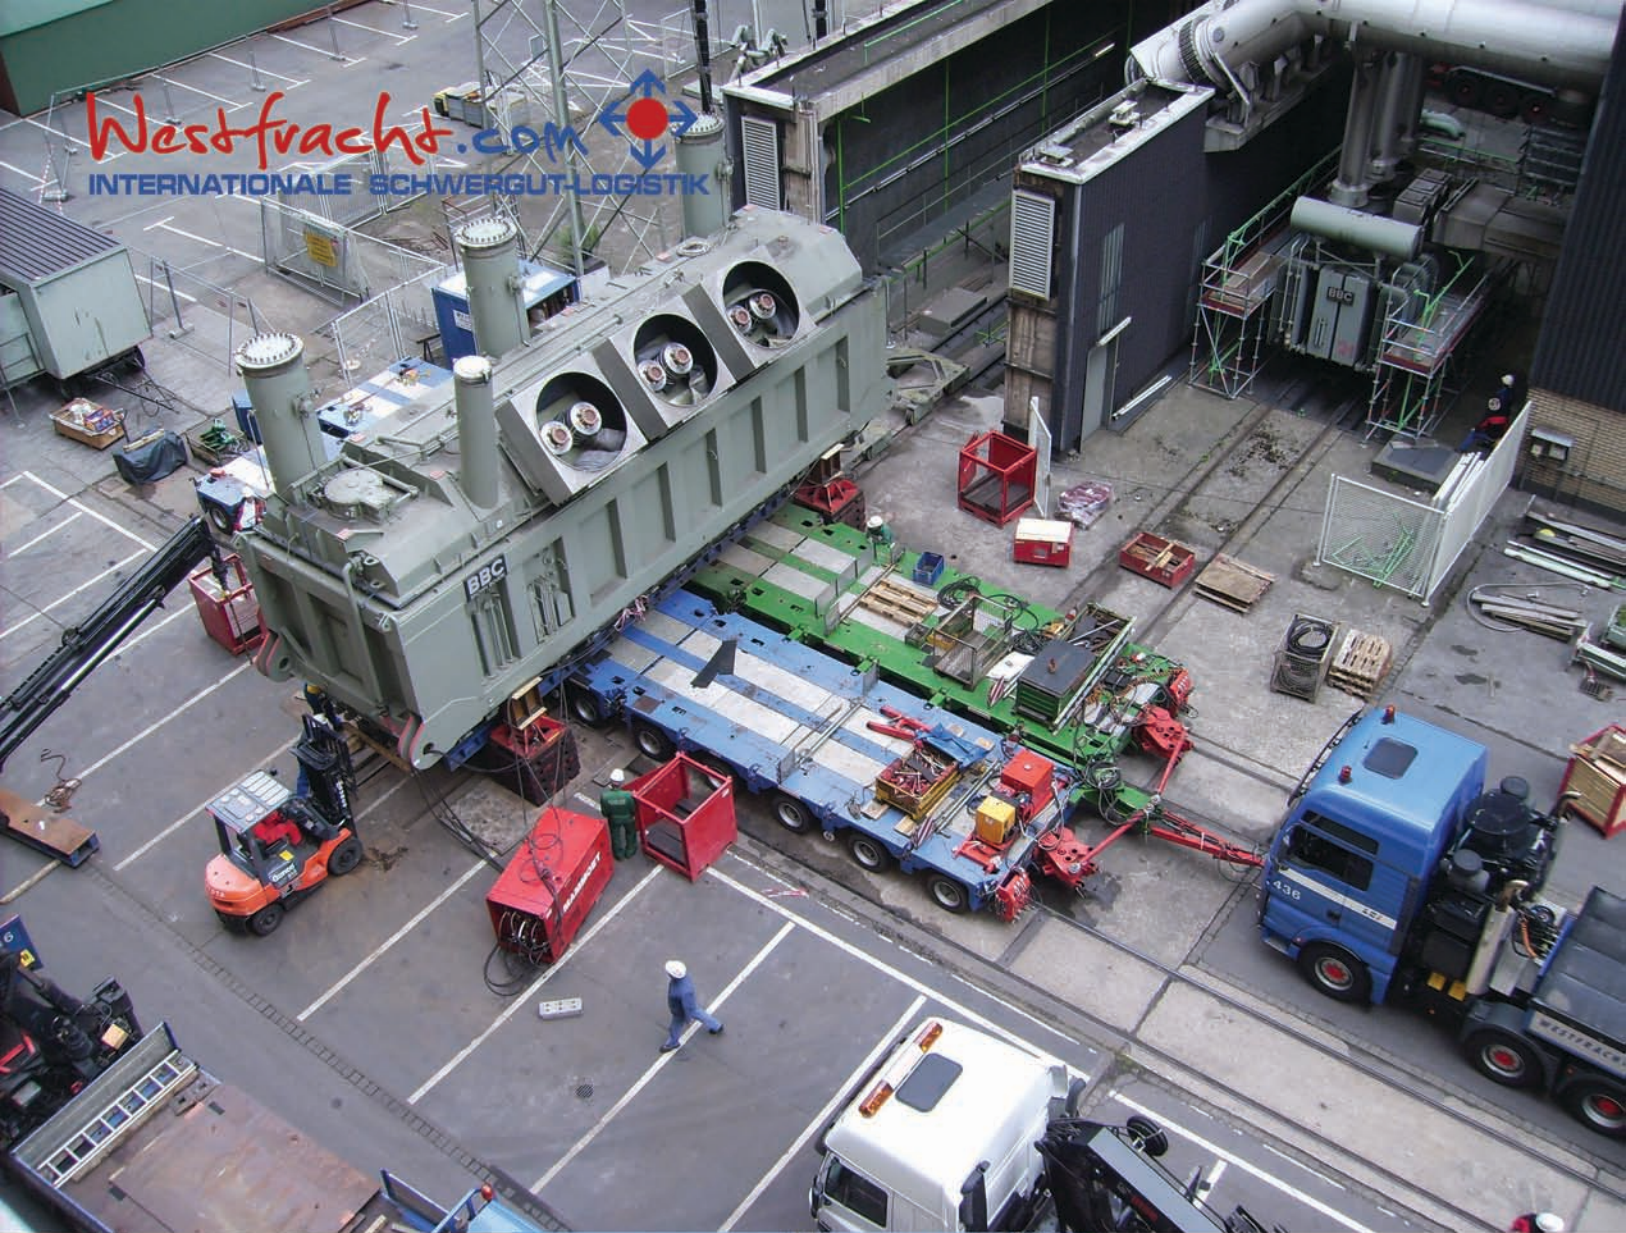

## 03 HEAVY-LOAD AXLES

Nothing is too heavy for us...

- payloads up to 600 t
- technical axle loads up to 36 t
- vehicle widths from 2.75 - 3.00 m
- modules in parallel up to 6.30 m width
- hydraulic height setting from 87 cm to 150 cm
- modules in series to any length
- combination options with various lowbed trailers and turntables

## ENGINEERING & INSTALLATIONS

04

Complex solutions for complex challenges...

- feasibility studies with local inspection
- selection and procurement of suitable transport equipment
- hydraulic multistage lifters up to 850 t
- hydraulic grip hoists
- 25 t cable hoist
- ground supports with suitable cross-supports up to 500 t

# 05 MOBILE CRANES

Anything goes...

- crane deployment all over Europe
- deployment of personnel cages and operating personnel
- deployment planning

## CARGO BARGE LOADING

Many routes to get you there...

06

- organisation and planning for suitable barge space
- barges, pontoons, powered coastal vessels
